

Consolidated Contracting LLC
Joe Miceli
PO BOX 321041
Fairfield, Ct 06826

Subject: Kerite Co Seymour Ct Smokestack Demolition.

Continental chimney and engineering was hired by Consolidated Contracting to demo a 165 foot stack at the above mentioned site . The stack was very close to a exposed 8" gas main, river and ten feet from a building . All work was completed on time and in a professional manner . I would highly recommend them for any stack / chimney removal project .
